YOUR GUIDE TO

UKON™

YOUR PREMIUM WELLNESS SUPPLEMENT

YOUR HEALTH FACES MODERN CHALLENGES

Every day, our health is constantly under attack from oxidative stress, environmental pollutants, and poor dietary choices. These challenges lead to cellular damage, premature aging, and a weakened immune system, leaving us feeling less than our best.

Many supplements promise relief, but how many deliver lasting benefits without harmful additives or synthetic ingredients? The reality is, most fall short.

You deserve a supplement that's pure, effective, and crafted with care, something that not only supports your health but elevates it.

That's where Ukon™ steps in.

THE SOLUTION: UKON™

The Power of Wild Turmeric

For centuries, turmeric has stood as nature's most revered golden root, cherished for its profound health benefits and unparalleled antioxidant properties. With **Ukon™**, Enagic takes this time-honoured treasure to extraordinary new heights, blending ancient tradition with cutting-edge science.

Ukon™ stands as the world's first supplement to pair the unparalleled antioxidant power of curcumin with the purity of Kangen Water®, enriched with 100% additive-free essential oils.

Every detail of Ukon™ has been meticulously crafted to deliver an experience worthy of its heritage. From its Okinawan roots to its state-of-the-art formulation, Ukon™ empowers you to protect your health, strengthen your immunity, and embrace vitality like never before.

This is wellness, redefined.

THE PREMIUM DIFFERENCE

A Tradition Rooted in Excellence

In the pristine northern region of Okinawa, Yanbaru, known as "nature's treasure", is home to Enagic's turmeric fields.

Free from harmful chemicals and pesticides, these fields produce Spring Ukon™, a turmeric variety of unmatched purity and potency.

This isn't ordinary turmeric. It's *Curcuma longa* and *Curcuma aromatica*, celebrated for their rich concentrations of curcumin and essential oils.

A Modern Innovation Backed by Science

Enagic has merged tradition with technology, creating a turmeric supplement that outshines the competition.

Every batch of Ukon™ undergoes meticulous cleansing with Strong Kangen Water® and Strong Acidic Water, ensuring unparalleled purity.

This process not only sanitises the turmeric but also enhances its antioxidant properties, setting Ukon™ apart as a supplement of exceptional quality.

Elevate Your Health, Naturally

Experience the benefits of a supplement free from additives, synthetic ingredients, and harmful chemicals. Ukon™ is the natural choice for anyone seeking premium, effective wellness solutions.

WHY UKON™ IS THE SOLUTION YOUR BODY CRAVES

Unmatched Antioxidant Power

At the core of Ukon™ lies curcumin, a compound celebrated for its ability to neutralise free radicals. Free radicals are unstable molecules that cause oxidative stress and damage to cells, leading to premature aging and disease.

Curcumin:

- Supports cellular health.
- Promotes a stronger immune system.
- Fights oxidative stress at its source.

Infused with Essential Vitamins and Minerals

Ukon™ is packed with essential nutrients that work in harmony to support your well-being:

- **Vitamin B1, B2, B12:** Boost energy, improve metabolism, and enhance nerve function.
- **Vitamin E:** Protects skin and cells from damage.
- **Niacin (Vitamin B3):** Supports liver health and radiant skin.
- **Healthy Minerals:** Calcium, potassium, magnesium, iron, and zinc aid vital bodily functions.

Supporting Your Body's Vital Systems

Your body needs more than a basic supplement. Ukon™ delivers a synergistic blend of antioxidants, vitamins, and essential oils to:

- **Strengthen Immunity:** Boost your body's defences with curcumin and Vitamin B12.
- **Promote Radiant Skin:** Protect against cellular damage with tocotrienol, also known as "Super Vitamin E."
- **Enhance Joint Health:** Reduce inflammation and improve mobility.
- **Improve Cardiovascular Function:** Balance cholesterol with olive and flaxseed oils.

Ukon™ doesn't just support your health; it transforms it, delivering results you can see and feel.

THE SCIENCE BEHIND THE POWER

Curcumin: Nature's Defender

Curcumin is one of the most researched natural compounds globally, known for its ability to:

- Combat inflammation.
- Protect DNA from oxidative damage.
- Support brain, heart, and joint health.
- Paired with Kangen Water® and essential oils, the curcumin in Ukon™ is optimally absorbed, making it far more effective than standard turmeric supplements.

Advanced, Patented Softgel Formula

Ukon™ features a **patented softgel capsule**, ensuring superior nutrient delivery and retention.

Enagic's patented softgel capsules are enriched with a blend of powerful antioxidants and essential oils, including:

- **Olive Oil:** Balances cholesterol and supports heart health.
- **Perilla Oil:** Enhances cellular protection.
- **Tocotrienol ("Super Vitamin E"):** A potent antioxidant for skin and cellular repair.

The outer layer is crafted with carrageenan, a seaweed derivative that preserves the integrity potency of its natural ingredients, ensuring every dose is as effective as possible.

Each capsule is meticulously formulated to deliver a powerful lineup of health benefits, making it as effective as it is convenient.

CERTIFIED QUALITY YOU CAN TRUST

Enagic's dedication to excellence ensures that every Ukon™ supplement meets the highest standards:

- **ISO 9001, ISO 14001, and ISO 13485 Certifications** for quality control and environmental management.
- **Water Quality Association Gold Seal** for superior water purification.
- **FDA Registered Facility** located near the turmeric fields in Okinawa.

With these certifications, you can trust that Ukon™ delivers uncompromising quality and safety.

How to Incorporate Ukon™ into Your Wellness Routine

Serving Size

Take 3 capsules daily as part of your health regimen. Each serving delivers a powerful dose of curcumin, essential oils, and vitamins to keep you feeling energised and balanced.

Who Benefits from Ukon™?
